

A one day workshop in Spiritual Connection, Psychic/Intuitive Development & Energy Healing

In this one day workshop, you will:

- Learn about auras and practice perceiving the colour of auras.
 - Learn ways in which you can clear your own energies.
 - Learn space clearing techniques which you can use at home.
- Learn about Spirit Guides and Angels, and how to connect with them.
 - Practice perceiving and sensing energy.
 - Practice using your innate psychic / intuitive sensitivities.
- Learn about energy healing & practice giving an energy healing routine.
- Learn self-care energy routines for improving your overall sense of well-being.

This workshop is an opportunity to learn ways of connecting with your intuition and your innate psychic sensitivities, as well as exploring ways to harmonise and balance your energies for greater well-being. You will be in a safe, nurturing and protected space among like minded people, where you can feel comfortable to explore and enhance your spiritual connection.

The day will also include some guided meditation.

Tea and light snacks will be provided for morning and afternoon tea.

Please bring your own lunch.

Your Facilitators

Paul has a diverse background in holistic health, counselling and energy work.

He was born with the natural gifts of insight, intuition, and the awareness of the spirit world.

Paul's mediumship qualities helps individuals to connect with their loved ones in the spirit world.

His strong assets of sensitivity, compassion, gentleness and groundedness brings a very personal and comforting quality to his work with individual clients and groups.

Paul's mission in life is in utilising his gifts to help empower others to find harmony, balance and inspiration on their path.

Claudio has been involved with energy healing and bodywork therapies since 2002.

He is a certified massage therapist, and is a qualified practitioner of shiatsu, acupressure, anma, reiki, myofascial release, polarity therapy and reflexology.

Claudio's focus is to help his clients access a very special inner space from which they can harmonise and connect with their own inner healing.

Claudio has a strong passion for energy healing and bodywork, and is deeply rewarded by seeing the effects of his work on his clients, as they emerge from a session having touched a profound space within themselves.
